Hi Everyone,

Thanks to those clubs (six) that have replied to my email on January 21st about the MyTennis Training Evening.

This is a reminder to all delegates to ensure that someone from your club is trialling (or has trialled) the system.

It's also a reminder to those I haven't yet heard from to let me know as soon as possible who or how many from your club will be attending the training evening on the 25th of Feb. I know the RSVP date is Feb 11th, but earlier advice will be appreciated as it will help with planning.

Cheers,

Darryl Brick
